

MOTION BY MAYOR MICHAEL D. ANTONOVICH

MAY 9, 2006

**AMENDMENT TO AGENDA ITEM #19 – INTEGRATED LIBRARY SYSTEM**

The County’s eCAPS system is intended to provide a comprehensive fiscal management system for the entire county. In order to ensure that the Integrated Library System for the Public Library is compatible with the eCAPS platform, the Auditor-Controller should be involved in its development.

**I, THEREFORE, MOVE** that the Board of Supervisors direct the Auditor-Controller to confer with the Public Library, Chief Information Office, and the Internal Services Departments, to determine how the new eCAPS system’s purchasing and inventory modules can provide all or part of the Library’s needs, and report back within 45 days.
